

SASMO is a Math Olympiad contest that stretches not only the brightest students but is aimed at instilling confidence for all students. The contest is designed in a way to make every student love Math again. SASMO contest fits nicely into the school curriculum with a high focus on non-routine problem sums – preparing for SASMO contest helps students prepare for the PSLE and O-Level exams.

The Pandemic didn't dampen the spirit of EuroSchool children. Our students participated and won accolades in SASMO and have made us proud.
