International Education**

Cambridge International School

The Cambridge@EuroSchool, Airoli Offering

Cambridge programmes prepare students for life – helping them to develop an informed curiosity and lasting passion for learning, thus creating global citizens. The Cambridge Assessment International Education is a part of the University of Cambridge, one of the oldest and the most distinguished universities in the world. Students are trained for Global Citizenship through the programme United Nations' Core Values. The faculty is trained by University of Cambridge. Career Counseling is done by professionals.

Cambridge Life Skills envisions to build a community of ethical, leaders on the planet who work together to improve the state of the world. The curriculum seeks to cultivate values of ethics, life skills and leadership among students.

CAMBRIDGE LOWER SECONDARY (GRADES 6 TO 8)

Cambridge Lower Secondary develops skills and understanding in English, Mathematics and Science for the first three years of secondary education. It combines a world-class curriculum, high-quality support for teachers and integrated assessment. Subjects that are also included in the curriculum are Information and Communication Technology, Humanities, Global Perspectives & Cambridge Life Skills.

ASSESSMENTS - CAMBRIDGE

Progression Tests:-

Cambridge Progression Tests provide valid internal assessment of knowledge, skills and understanding in English, Mathematics and Science.

Checkpoint (at the end of Grade 8)

Cambridge Secondary Checkpoint is a diagnostic testing service that helps young learners by giving comprehensive feedback on their strengths and weaknesses in each subject area.

CAMBRIDGE UPPER SECONDARY (GRADES 9 -10)

The IGCSE is a comprehensive two-year programme for Grades 9 and 10. It is a balanced mix of practical experience and theoretical knowledge. It is a universally recognized qualification among international schools and universities worldwide. similar to the Class 10 examinations of the SSC, ICSE, CBSE, British GCSE, International GCE O Level examinations or the Middle Years Programme of the IB. The course offers the best in international education and being in pace with the changing needs, it regularly updates and extends the curriculum. The IGCSE is recognised by AIU (Association of Indian Universities).
