Subject : No Objection Certificate from the Fire Department

Sir,

Please find enclosed the Fire Certificate issued by the competent authority, which is **Chief Fire Officer, Pimpri Chinchwad Municipal Corporation, Pune** (enclosed herewith marked as annexure 1). This is a one-time certificate issued by the Fire Department for the Occupancy of the building. However to ensure that the building owners/residents do not become complacent the state has passed The Maharashtra Fire Prevention and Life Safety Measures Act, 2006. (the relevant clause is enclosed herewith highlighted and marked as annexure 2). The said Act mandates that every Six Monthly an independent agency, duly authorized by the Director of Maharashtra State Fire Service, should conduct the inspection and review the fire-fighting equipment installations and the safety provisions in the premises. Thereafter submit the report if everything is found to be in compliance with the requirement. We submit the same form A & B to the department (the said forms are enclosed herewith and marked as annexure 3).

Regards,

(Principal- EuroSchool CBSE Wakad)

Enclosed:-

PROVISIONS RELATING TO FIRE PREVENTION AND
LIFE SAFETY MEASURES

3. (1) Without prejudice to the provisions of any law or the rules, regulations or bye-laws made thereunder or the National Building Code of India, 2005, relating to fire prevention and life safety measures and in operation in the State for the time being in force, the owner or where the owner is not traceable, the occupier, of a building as classified in the Schedule-I or part of any such building shall provide fire prevention and life safety measures in such building or part thereof, minimum fire fighting installations as specified against such building in the said Schedule ; and the owner or, as the case may be, the occupier shall maintain the fire prevention and life safety measures in good repair and efficient condition at all times, in accordance with the provisions of this Act or the rules :

Owners or occupiers' liability to provide for fire prevention and life safety measures.

Provided that, in the case of such building or part thereof the construction of which has been completed immediately before the date of commencement of this Act, the occupier, and subject to the provisions of sub-section (2), in the case of such building or part thereof which is under construction on such date, the owner, shall undertake and carry out such additional fire prevention and life safety measures, as are specified in the notice served on him under section 6.

Explanation.—The classification of buildings as mentioned in the Schedule-I under this section and that in Schedule-II under section 11, conforms to the classification of buildings made under the provisions of the National Building Code of India, 2005.

(2) Notwithstanding anything contained in any law for the time being in force, no authority empowered to sanction the construction plan of any building or part of a building and to issue certificate of completion thereof, shall issue any certificate of completion or part completion thereof, unless it is satisfied that the owner has complied with the requirements specified in Schedule-I, or as the case may be, in the notice so served on him as aforesaid.

(3) The owner or occupier, as the case may be, shall furnish to the Chief Fire Officer or the nominated officer, a certificate in the prescribed form issued by a Licensed Agency regarding the compliance of the fire prevention and life safety measures in his such building or part thereof, as required by or under the provisions of this Act, and shall also furnish to the Chief Fire Officer or a nominated officer, a certificate in the prescribed form, twice a year in the months of January and July regarding the maintenance of fire prevention and life safety measures in good repair and efficient condition as specified in sub-section (1).

(4) No person shall tamper with, alter, remove or cause any injury or damage to any fire prevention and life safety equipment installed in any such building or part thereof or instigate any other person to do so.

Preventive
measures.

4. (1) The State Government may, by notification in the *Official Gazette*, require owner or occupier of premises in any area or of any class of premises used, which in its opinion, are likely to cause risk of fire, to take such precautions as may be specified in such notification.

(2) Where such notification has been issued, it shall be lawful for the Director or Chief Fire Officer of local authority or planning authority or any fire officer authorized either by the Director or Chief Fire Officer to direct the removal of objects or goods likely to cause the risk of fire, to a place of safety and on failure by the owner or occupier to do so, the Director or any Chief Fire Officer or fire officer may, after giving the owner or occupier a reasonable opportunity of making the representation, seize, detain or remove such objects or goods.

(3) The Director or the Chief Fire Officer or any other fire officer while performing his duties in Fire Fighting operations or any other duties of seizure, detention or removal of any goods involving risk of fire may require the assistance of a police officer or members of the police force as an aid in performance of such duties and it will be the duty of police officer of all the ranks or such members to aid the Director or such fire officer in the execution of their duties under this Act.

Power of
inspection.

5. (1) The Director or the Chief Fire Officer or the nominated officer may, after giving three hours' notice to the occupier, or if there is no occupier, to the owner of any place or building or part thereof, enter and inspect such place or building or part thereof at any time between sunrise and sunset where such inspection appears necessary for ascertaining the adequacy or contravention of fire prevention and life safety measures:

Provided that, the Director or the Chief Fire Officer or the nominated officer may enter into and inspect any such place or building or part thereof at any time if an industry is working or an entertainment is going on at such place, building or part thereof, or if it appears to him to be expedient and necessary to do so in order to ensure safety of life and property.

(2) The Director or the Chief Fire Officer or the nominated officer shall be provided with all possible assistance by the owner or occupier, as the case may be, of such place or building or part thereof for carrying out the inspection under sub-section (1).

(3) The owner or occupier or any other person shall not obstruct or cause any obstruction to the entry of a person empowered or authorised under this section into or upon any land or building or shall not molest such person after such entry for inspection.

(4) When any such place or building or part thereof used as a human dwelling is entered under sub-section (1) due regard shall be paid to the social and religious sentiments of the occupiers ; and before any flat, apartment or a part of such building in the actual occupancy of any woman, who, according to the custom does not appear in public, is entered under sub-section (1), notice shall be given to her that she is at liberty to withdraw, and every reasonable facility shall be afforded to her for withdrawing.

(5) Where the inspection is carried out by the nominated officer under the preceding provisions of this section, he shall give a report of any such inspection to the Director and the Chief Fire Officer of the authority concerned.

6. The Director or the Chief Fire Officer or the nominated officer shall, after completion of the inspection of the place or building or part thereof under section 5, record his views on the deviations from or the contraventions of, the requirements with regard to the fire prevention and life safety measures or the inadequacy or non-compliance of such measures provided or to be provided therein with reference to the height of the building or the nature of activities carried on in such place or building or part thereof and issue a notice to the owner or occupier of such building or part thereof directing him to undertake such measures within such time as may be specified in the notice.

Notice regarding fire prevention and life safety measures.

7. (1) Without prejudice to the prosecution for offence of non-compliance of the notice issued under section 6, the Director or the Chief Fire Officer may, in the event of non-compliance of any such notice, take such steps including exercising the power to have the place, building or any part thereof sealed under section 8, as may be necessary for the compliance of such notice.

Steps to be taken in the event of non-compliance of notice.

(2) All expenses incurred by the Director or the Chief Fire Officer in relation to any steps taken by him under sub-section (1) shall be payable on demand, by the owner or occupier on whom such notice is served, and shall, if not paid within fifteen days after such demand be recoverable, without prejudice to the provisions of sub-section (3) of section 20, as if it were the arrears of tax on property and the provisions under the relevant municipal law or any other law for the time being in force and is in operation within the area of jurisdiction of the local authority or planning authority concerned for recovery of arrears of tax on property, shall apply *mutatis mutandis* for such recovery as they apply to the recovery of arrears of tax on property or where any such law is not so in operation then, as an arrears of land revenue.

8. (1) If the Director or the Chief Fire Officer is satisfied that due to inadequacy of fire prevention and life safety measures the condition of any place or building or part thereof is in imminent

Power to seal building.

danger to person or property, then notwithstanding anything contained in this Act, or any other law for the time being in force, he shall, by order in writing, require the persons in possession or in occupation of such place or building or part thereof to remove themselves forthwith from such place or building or part thereof.

(2) If an order made by the Director or the Chief Fire Officer under sub-section (1) is not complied with, the Director or the Chief Fire Officer may direct,—

(a) the authority responsible for supply of electricity or the authority responsible for supply of water to disconnect the supply of electricity or water, as the case may be;

(b) any police officer having jurisdiction in the area to remove such persons from such place or building or part thereof; and such authority or police officer shall comply with such direction;

(3) After the removal of the persons under sub-section (1) or sub-section (2), as the case may be, the Director or the Chief Fire Officer shall cause such place or building or part thereof, to be sealed by such police officer forthwith.

(4) No person shall remove such seal except under a written order made by the Director or the Chief Fire Officer *suo motu* or on an application of the owner or occupier.

CHAPTER III

LICENSED AGENCY

Power to
grant
licence to
act as
Licensed
Agency.

9. (1) The Chief Fire Officer may grant any person or association of persons as he thinks fit, a licence to act as a Licensed Agency for the purposes of this Act.

(2) Any person intending to have or renew such licence shall apply to the Chief Fire Officer in the prescribed form and in the prescribed manner. Such application shall bear a court-fee stamp of five rupees and shall be accompanied by the prescribed fee.

(3) On receipt of such application, the Chief Fire Officer may, after holding such inquiry as he deems fit, either grant the licence in the prescribed form for a period of one year or renew the same for a like period or, for reasons to be recorded in writing, by order refuse to grant or renew the licence.

(4) Where the Chief Fire Officer has reason to believe that any person to whom a licence has been granted has contravened any provisions of this Act or of the rules or failed to comply with the conditions of the licence or is unfit by reason of incompetency, misconduct or any other grave reasons, the Chief Fire Officer may, after giving to the person a reasonable opportunity to show cause, for reasons to be recorded in writing, by order suspend or cancel the licence.

(5) The Director and the nominated officer may also exercise the powers under this section, within their respective jurisdiction.
